

*A Wampanoag Legend of Martha's Vineyard*

*"Imagine living without hate, without war. Imagine living completely at peace with people helping people, village helping village, enemies becoming friends.*

*This is the world that Katama, daughter of Sachem Nashamois of the Nunne-pog, a tribe of the Wampanoag Nation imagined, and this is the world she helped create.*

*Gather around the fire, and I will tell you the story from long, long ago, of a brave young woman and how she changed our world."*
